

I still think This passaged from Oahspe says it all.

It mentiones, the impossibility to reincarnate, And it mentions clearly the Ray of light as you call it

21. As I have quickened the seed of the first born, so will I quicken all seed to the end of the earth. And each and every man-child and woman-child born into life will I quicken with a new spirit, which shall proceed out of Me at the time of conception. Neither will I give to any spirit of the higher or lower heaven power to enter a womb, or a fetus of a womb, and be born again. Book of Jehovih verse 21.

And each and every man-child and woman-child born into life will I quicken with a new spirit, which shall proceed out of Me at the time of conception.

(This is the ray of light, right Ken, what you are talking about.) This Ray of light gives us thus a direct Contact to the Creator. And if we were open enough We would be able to ask any question On this direct line of light, to the Creator, And get an Answer.

Neither will I give to any spirit of the higher or lower heaven power to enter a womb, or a fetus of a womb, and be born again. Book of Jehovih verse 21.

(And here the Creator closes the door to Reincarnation , To the so-called professional reincarnators. So that it always has to be possession, when someone says he is reincarnated. And this way it becomes a crime.because it surpesses the original spirit in that human body.

Neither will I give to any spirit of the higher or lower heaven power to enter a womb, or a fetus of a womb, and be born again. .

(So Every human being has a new spirit. And no one on Earth gets born twice, through the womb of a Woman.)
